

Local Union # 3 IBEW to Celebrate Discovery of the Americas

Every two years, members of Local Union #3 IBEW celebrate the discovery of America by holding a festival at the Joint Industry Board Auditorium. The Christopher Columbus Festival Committee, made up of members from all divisions represented by Local Union #3, I.B.E.W. At the time it was suggested that some way be found to honor the explorer who is recognized as the person who opened the way for the settling and development of the new world.

This year we are once again looking forward to an evening of dining and dancing. Around the third week of October, the Joint Industry Board Auditorium will take on the look of little Italy, with decorations and lights directly from the San Gennaro Feast. Inside, the Auditorium will be transformed into a town square with tables and refreshments surrounded by the same festival lights as the courtyard outside. The centerpiece of this "Piazza" will be the "Marketplace" display of fruits, vegetables, dried sausage, cheeses, breads, and pasta, which are the heart of Italian living.

To Italians, food is life, and we live to eat. While the menu is still in planning, anyone who has been to prior events can testify that our guests are in for a culinary delight.

As in years past, tickets for this event will be made available on a first come basis, and can only be secured by mailing in the attached coupon below or by calling Xenia Trocchia @ 718-591- 4000 Ext.421 or emailing her at XTrocchia@Local3IBEW.org at a cost of \$100.00 per person or \$1000.00 for a table of 10 People.
