You're Invited, and your sponsorship will help support our mission to unite the union community through conservation to preserve North America's outdoor heritage.

Awards will be given to the highest scoring teams and top individual shooter. First time shooters are welcome and encouraged to participate.

The USA is North America's only 100% union-dedicated, outdoor organization that unites union sportsmen and women to volunteer their time and skills to conservation projects that expand access to places to hunt, fish and shoot; improve wildlife habitat; and mentor the next generation of outdoorsmen and women. Your participation in our shoots is critical in organizing these union members and raising the funds needed to carry out our worthwhile mission. Thanks for your support!
